

Compassion without Borders, a grassroots, all-volunteer non-profit, is currently collecting donations of:

- Expired medications
- Flea and tick control
- Pet food
- Treats, toys, dog beds, etc .

Compassion without Borders works to help the animals of Mexico through spay/neuter, health care clinics, humane education campaigns, humane euthanasia trainings, and international rescue efforts.

Donated items will be used to help animals in one of Mexico's most impoverished neighborhoods, where Compassion without Borders is currently concentrating their efforts.

*****Proof of donation tax-deductible receipts are available on request*****
